Dear Mr. Reed,

On behalf, of The Kiwanis of Little Havana Foundation I would like to extend a warm thank you to you and your team at International Links Melreese Country Club for once again providing a seamless service at our Putting for Education Golf Classic Tournament 2017.

We were pleased with not only the outstanding service you provided, but with the quality of food we could enjoy. The Golf Course was not only in mint condition and well-kept but very enjoyable to play and navigate your way around it, golf carts in great condition and very comfortable. Thank you again for helping us deliver such a successful event for our members as well as sponsors. Without a doubt, International Links Melreese Country Club adds great value in the city of Miami.

The Kiwanis Club of Little Havana is a civic organization serving the Greater Miami area since 1975 with projects and programs that greatly impact the community, specially the children. The foundation of our organization is based on the dedication of its volunteers. We appreciate your support towards our Foundation's projects and to serving his commitment to the community at large.

Sincerely,

Antonio Lorenzo
Chairman
