RE; Woody Foundation Golf Classic

Dear John,

On behalf of The Woody Foundation, we wish to thank you & your staff for the wonderful job in hosting our Golf Classic tournament for the 6<sup>th</sup> straight year. The golf course was in excellent shape, the food was superb as always & your staff very friendly & accommodating which is why we keep coming back.

We expect to raise over \$40,000 net (\$60,000 gross) to benefit not only our Foundation, but also another well know local charity in town - The Buoniconti Fund to Cure Paralysis. Our 6 year economic impact is well over \$300,000 net (\$450,000 gross).

We appreciate all that you do to help us make this impact on our Community & hope that our joint success will continue for many years to come.

Sincerely,

William E Beckham,

President
